

**Town of St. Albans Selectboard
Public Hearing on Interim Bylaw Adoption
Official Warning**

The legal voters of the Town of St. Albans are hereby warned and notified of a Public Hearing to adopt an Interim Bylaw addressing the construction of multi-user or offsite stormwater treatment facilities. The Hearing will take place on Monday, December 22nd, 2014 at the St. Albans Town Hall, 579 Lake Road, St. Albans, VT. at the regularly scheduled Selectboard meeting to begin at 6:30 p.m. The purpose of this Interim Bylaw is to provide the Town time to complete the studies, review the results of the studies, and review and implement the revised zoning bylaws and new stormwater ordinance. The Interim Bylaw temporarily restricts the construction of new multi-user or offsite stormwater treatment facilities that many not conform to the Town's NOI. The Interim Bylaw ensures that the regulations and construction will be completed in a manner that promotes the public health, safety, and welfare of the Town while protecting ongoing economic growth and stability. The Interim Bylaws are intended to apply to those projects only, and the Interim Bylaws and any amendments are term-limited from date of adoption or amendment by the Selectboard through December 21, 2016. Full text of the draft Bylaw is available at the Town Hall and on the Town website at www.stalbanstown.com.
