

**Town of St. Albans, VT.
Employment Opportunity
Department of Public Works
Equipment Operator**

The Town of St. Albans is accepting applications for the position of Equipment Operator. This position involves skilled, technical work in the maintenance, repair, and construction of town highways, facilities, and equipment. This position occasionally requires significant physical effort and often requires moderate physical effort. The operator works under the direct supervision of the Director of Public Works. Qualifications include: a positive attitude; minimum high school graduation or GED; current valid drivers license and ability to obtain a Class B CDL license within 60 days of hire; and Class A CDL license within one year of hiring; and relevant experience as outlined in the Town of St. Albans Equipment Operator job description. A job description and application may be downloaded from the Town's website at www.stalbanstown.com. Salary is commensurate with education and/or experience. Applicants must be willing to submit to pre-employment drug screening and background check if offered a position.

Please send applications to Alan Mashtare, Director of Public Works, Town of St. Albans, P.O. Box 37, St. Albans Bay, VT. 05481 or submit to Jennifer Gray at 579 Lake Road during business hours by Friday, July 21st.
